

Has your business outgrown its energy options?

The more energy your business demands, the more energy options you need. Now, thanks to Yankee Gas Service Company's recent expansion efforts, more Connecticut businesses than ever before are adding natural gas to their energy portfolios. With high-efficiency equipment and new natural gas technologies that can lower electric demand during peak hours, you can better manage and reduce your company's energy costs. For a free consultation, call our Business Response Center, Monday – Friday, 8 a.m. – 4:30 p.m., at 1-888-2YANKEE, or visit yankeegas.com. *Expanding Connecticut's Energy Options.*
