

**Are you sure you're getting the whole story?
[Especially when it comes to your energy options?]**

Discover America's #1 domestic fuel option: clean, efficient, plentiful natural gas. Yankee Gas is now serving more parts of Connecticut than ever before, making *now* the time to switch to natural gas for heating, hot water, cooking, clothes drying, grilling and outdoor lighting. Plus, you can add the beauty of a natural gas fireplace to any room in your home. Talk to one of our energy experts about natural gas products and services. Call Yankee's Business Response Center at **1-888-2-YANKEE**, weekdays from 8 a.m. to 4:30 p.m., or visit us at www.yankeegas.com.
