You may be eligible for federal tax credits. Please refer to [www.energystar.gov](http://www.energystar.gov) for more information.

## TERMS AND CONDITIONS

**REBATE OFFER:** The rebate is for qualifying commercial clothes washer equipment ("Equipment") purchased and installed on or after January 1, 2015 through December 31, 2015. Rebate levels are subject to change or cancellation without prior notice. **This application form ("Application") and required documentation must be received no later than March 31, 2016.** Completed and signed Applications or a letter of intent must be submitted within 30 days of the Equipment installation to be Eligible for rebates.

**MAXIMUM PAYMENT:** The utilities reserve the right to cap incentive amounts. Contact your participating utility representative or the appropriate utility company's program administrator for details.

**ELIGIBILITY:** Natural gas rebates are available to industrial, commercial, and institutional customers on firm gas rates. Rebates are available to industrial, commercial, institutional and agricultural electric service customers with a commercial rate code on their electric service. Equipment must be installed in the service territory of the participating utility. Eligible systems are ENERGY STAR® approved Equipment that meet the efficiency requirements.

**PROOF OF PURCHASE:** An installation invoice itemizing the purchased Equipment must accompany this rebate Application form and **must indicate the date of purchase, cost, Equipment type, size, make and model of the system(s).**

**APPLICATION FORM:** This Application must be filled out completely, truthfully and accurately. The customer or their authorized representative must sign, date, and submit this Application along with the installation invoice (as outlined under **Proof of Purchase**), the specification sheet (manufacturer's equipment performance sheet stating the energy efficiency) and an IRS W9 Form.

**PAYMENT:** Please allow at least 30 days for payment. Payment process may take longer if information is missing on Application.

**APPROVAL AND VERIFICATION:** Your participating utility reserves the right to verify sales transactions and to have reasonable access to your facility to inspect the Equipment installed prior to or after issuing rebates.

**ENDORSEMENT:** Your participating utility does not endorse any particular manufacturer, contractor, product or system design in promoting this initiative.

**TAX LIABILITY:** Your participating utility is not responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates. All customers must include their Federal Tax Identification Number or Social Security Number (IRS Form W9) as part of this Application to receive a rebate.

**WARRANTIES: YOUR PARTICIPATING UTILITY DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY.**

The participating utility makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability, or fitness for particular purpose regarding Equipment or services provided by a manufacturer or vendor. Contact your contractor or Equipment manufacturer regarding Equipment performance and warranties.

**LIMITATIONS OF LIABILITY:** The liability of your participating utility is limited to paying the rebate specified. **The participating utilities do not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. No warranties on product or service installations are provided by the participating utilities, nor do they guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program.** The participating utility

shall not be liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages.

**CUSTOMER'S CERTIFICATION:** Customer certifies that he/she has purchased and installed the Equipment listed at the service address indicated on the front of this form. Customer agrees that all information on this Application is true and conforms to all Equipment eligibility requirements and these terms and conditions. Customer has verified that the Equipment has been installed correctly. There are no unusual noises or vibrations and all controls have been calibrated. Customer or customer's representative has been instructed on how to operate and maintain this Equipment and has received all the necessary operation and maintenance manuals.

**ISO-NE CAPACITY PAYMENTS:** By signing this document and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to any CL&P or UI customer's participation in this program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any currently existing or successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of CL&P or UI as applicable. The customer hereby assigns to CL&P or UI, as applicable, all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by CL&P or UI, as applicable, to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

**CLASS III CONSERVATION CREDITS:** In accordance with the Department of Public Utility Control's ("DPUC[s]", now known as the Public Utilities Regulatory Authority or "Authority") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, (as supplemented by the Department February 11, 2010 decision in Docket No. 05-07-19RE02), customer is not to receive or retain any Class III renewable energy credits in connection with this program and customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund. In the event that the Authority [DPUC] amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable Authority [DPUC] decision) on the date that the customer submitted its Application documents to either CL&P or UI (as the case may be). Customer further acknowledges and agrees that customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to customer's participation in this program and any and all such benefits or credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund.
