AVAILABILITY: Service under this rider is available to:

- a) any nonresidential customer who locates or expands within the State of Connecticut, or
- b) any non residential customer that demonstrates a viable bypass plan.

QUALIFICATIONS: To qualify for service under a) above, the customer must be expected to add at least 50,000 Ccf per year of new or expanded load. To qualify under b) above, an existing customer must demonstrate a viable plan for bypass of the Company's distribution system. The viability of the plan will be reviewed by the Company for validation.

TERMS AND CONDITIONS: The Customer must contact the Connecticut Economic Resource Center, or its successor agency, for potential participation in other economic development programs in order to qualify under a) above.

MONTHLY RATE:

Delivery Service:

The total delivery service rates will be negotiated between the Company and the Customer prior to full execution of the rate agreement. The negotiated Delivery Charge shall not be below \$0.0100 per Ccf, inclusive of the applicable gross earnings tax.

Commodity Service:

All components of the applicable firm tariff Commodity Service shall be charged at the full tariff rate and shall not be discounted. This restriction applies to the Company Supply Service options (Company Standard Gas Supply Service and 100% Standby Service) and Third-Party Supplier Service option (Operator Gas Supply Service).

OTHER: The service as defined under this rate shall not exceed 10 years in length and the 10 year term will not be affected by the elimination of this rate.
